Subject: Sound Like Of GangStalking Against My Friend In Denver - My rep

Dear San Bernardino Police Department / California Department of Justice,
 This Facebook Post,

<https://www.facebook.com/sammie.francher.3/posts/174141837049756>

From A Friend From Denver Is Quite Disturbing to read, along with the call recording that I made my mother in July 2017.

Please do not insult my intelligence once more and tell me that I am making connections when connections are not real. Please do not insult my intelligence and tell me that the folder on the web in this fashion is not worthy of correction.

Please do not tell me that this location on the web would be the most web placement by name that one would want to avoid if they indeed are involved something wicked this way comes.

<http://persons.fuckeduphuman.net/Lanier.Joseph.Rogers.III/>

Also please do not insult my intelligence and tell me that the documentation that I have placed to this web is wrong, it is in-fact most moral and legal.

My mother has the task of attempting to call this good Sergeant Rogers to schedule a time to come back into this house of Grande Vista to the effect with integrity and with remorse that he did not understand. In that request of the good Sergeant, that the good Sergeant have read complete, word to word, line by line, and character by character [as there are URLs in these] my faxes, my twitter, and also my community facebook posts.

If the good Sergeant Rogers will not buck the courage to continue this in all honesty, to the integrity that his badge should hold, in defense of an obvious bias conspiracy that is exposed to know the conspiracy [its connecting points] is real, it must be terminated. Any non-action toward that goal means that anyone in that role defending such a conspiracy, when they know the truth, [as been given an introduction in these faxes], that person is guilty of co-conspiracy especially if that person is a trusted officer agent of law enforcement.

GET YOUR HEAD OUT OF YOUR ASSES WHERE THE SUN DOES NOT SHINE TO HOLD LIGHT ON THIS SUBJECT AND COME TO THIS MATTER THAT REFLECTS TRUTH, JUSTICE, AND THE AMERICAN WAY. TO PROTECT THE INALIENABLE RIGHTS OF PERSONS WHO

ARE AMERICAN CITIZEN'S THEIR RIGHT OF LIFE, LIBERTY, AND THE PURSUIT OF HAPPINESS.

YOU ALL INVOLVED IN THIS CONSPIRACY ARE GOING TO TAKE THIS NATION TO FULL AND COMPLETE DUST AND SMITHEREENS THIS COUNTRY OF THE UNITED STATES TO FULL AND COMPLETE COLLAPSE.

Hey FB, friend and the Love's of my life family. How are you awesome people doing tonight. I just want to put this out in the opening. I know that i haven't said anything on here in a minute. Because I was taught if you don't have anything nice to say. Don't say anything at all. Well what i have to say at this moment may not be nice but I'm going to say it anyway. People really needs to get over themselves seriously especially when it comes down to me. All this irritated comments that I get from people and how they talk to me is going to end and it's going to end quickly. I don't deserve none of the shit that I go through and received from none of you. And I continue to stay maintained and content. That can only go so far and after that there's a explosion. And I don't think anyone here or wherever are ready because I'm not and if I have to i will. And that's the type of way I'm feeling at this moment.love you and miss you so much

James M Driskill Oh boy what a confluence this is. You know me, I represent that which both sides of a trust ladder and the center point of being Gruwup : Great Reasons Us Will Unite Peace : Complete Worldwide Peace in I have had this community page for ages, no one wants to actually interface to the idea of peace. The want to refuse such as idea. They are abusive to me, hate and harassment to put me into the gutter to "explode" at them. There is an emoji for that. 💣 [bomb emoji] -- So if you take the writing that I have from all of the history of this --- I did not understand the idea of #GangStalking only about two months ago to make the connection to reality that I have been one who is a targeted individual" and that in the call recording that I made with my mother, long before I understood what gang stalking was I had written you an email and read that email as a part of the call recording with my mother. I am going to reference this call recording in this facebook post, because I have an agreement with my mother that I can publish [this post] any call recording I have with my mother. So therefore, I have to reach into your folder on this network and reference the stored call recording there. BTW: This is called TechnoREALISM.

It was recorded July 14th 2017 and the Glassdoor Reviews for Colorado Health Network - Denver appear on July 28th 2017:

The could be #GangStalking you too. This reply is extremely serious. Please do not go beyond this reply without trying listing to this call recording. It will not be "all right" --- as my mom reassures me.

I am breaking here at home, as expected.

The Sergeant of the San Bernardino Police Department who was over here in his dismissal of this story that has been told by real documented events, the sergeant taking the defense of conspiracy exposed to continue. They refuse to honor "protect and serve", they refuse to honor the law of this land, they refuse to stop gang stalking, they refuse to stop haters, but they defend the haters to allow the haters to always win. There is something so drastic and wrong here.

Here, I mean the country of the United States of America. The home of the Hell'sAngels motorcycle gang, the gang that Sons of Anarchy was in tribute too. The Wikipedia article mentions the tie to an Oakland member of the gang. The gang's origin actually started in Fontana / San Bernardino area. That being said, I believe wholeheartedly that this is GROUND ZERO for this 🏳️‍🗳️🏳️‍🗳️🏳️‍🗳️ hate that is directed toward a class of people, that being homosexuals, the gay black male male particularly, and those, maybe even who are white that assist it them.

James M Driskill In the Not-So-White Sergeant Lanier Joseph Rogers III, of the San Bernardino Police Department you cannot refuse to pay attention to my story documented onto the web, expect to get away with defending a hate conspiracy.

I refuse to let you do that. I refuse and if you refuse to come to the table of a peace man, to reconcile this conspiracy to it's termination, you are a coward. I will call that to your face. You are a mouse squeak squeak squeak -- as the country's national security and it's continued existence before it's oblivion billions takes us over the horizon's shadow to never be able to save this from the erosion of trust in this nation.

I want to change my United States Citizenry to some other country, I would rather be countryless, than to be proud to be American under these conditions. This condition that allow hate to always win.
